Kalamazoo Community Mental Health & Substance Abuse Services is seeking a dynamic individual who has experience working with individuals of diverse racial, ethnic, and cultural backgrounds to provide nursing services in a community outpatient setting, helping individuals achieve optimal functioning in the least restrictive setting possible. This 40 hour per week position will assist psychiatrists in our fast-paced Psychiatric Medication Clinic working with adults and children. Previous phone triage and clinic experience as well as knowledge of psychotropic medications and psychiatric illness preferred. Knowledge of substance abuse disorders and treatments is also beneficial. The ideal candidate must have effective communication skills and the ability to work as a member of an interdisciplinary team. An Associates degree in Nursing, Applied Science or related field is required with current RN licensure in the state of Michigan as well as a minimum of two years experience in the mental health field. Special consideration will be given to RN's with a Bachelor's degree in nursing or a related field. Strong computer skills are essential for this position. Bilingual applicants are encouraged to apply.

We offer competitive compensation and fringe benefits, including medical, vision and dental insurance; disability and workers compensation insurance; paid holidays, annual leave, sick leave, continuing education, retirement plan and Deferred Compensation Plan.
